

Bring life to work.

Let's admit it.

An average office worker spends 33% of life at work. Facing new-age challenges everyday that define our corporate world – and our position in it. But we hardly see our position that gets negatively affected by a wrong chair. And, on the other hand, positively by the right one!

CLUB+ONE – the 100% Official furniture is a conscious quest to ensure your right position in the business world. A high caliber office furniture

brand that takes up all the necessary pains to create world class chairs that give no pain to you while you focus on your goals, challenges and succession plans.

Built with utmost care in design, material and fabrication, each chair aims to deliver the best experience and turn those office hours into happy hours. The result of a unique design-driven product development strategy that focuses on consumer delight, this time-proof

range of office chair is **MADE FOR BUSINESS LEADERS OF TODAY.**

Manufactured by furniture ergonomics experts, this premium collection of office chair comes with the quality assurance from industry frontrunner for the past 17 years.
